The use of tobacco products is also prohibited within a reasonable distance of any such building intake duct, window or entrance or entryway, including ramps, walkways, pathways, and any such similar means of entry, unless a designated tobacco use shelter is otherwise provided.

Persons who wish to use tobacco products outside of a building shall do so in a manner that minimizes an accumulation of smoke and tobacco waste. Individuals who use tobacco products are responsible for the proper disposal of such in designated receptacles.

The use of tobacco products is prohibited in vehicles owned, leased or rented by Arlington Association.

All individuals utilizing Arlington facilities share in the responsibility for adhering to this policy and bringing it to the attention of visitors.

Violations of this policy are subject to the procedures as set forth in the Association Rules and Bylaws.

Please call 622-2200 for reservations for the picnic.
(House Closed on Wednesday, July 4. The office will be open to accept reservations for the picnic.)
By the time you receive this newsletter, I will have completed my year as Chairperson, Arlington Board of Directors.

It has been a challenging year with the Board having to make major decisions regarding the future of Arlington. It is my hope that all of the actions taken by the Board will result in improvements being made which are necessary for Arlington to continue to function as an important part of the university, alumni and community.

Let me continue to update you on projects approved by the Board. First, the golf course restrooms for men and women are completed and now functioning properly. Second, bids for the roof at Arlington have been opened and a meeting will occur with the architect and low bidder to make some adjustments to keep the project within budget. This project should begin very soon. Third, I hope you noticed the staked area on the side of Arlington House near the tennis courts. This area will be the site of a new parking lot, which will accommodate 52 parking spaces with handicapped accessibility. It is hoped that this project will address the needs of our dining members who have requested closer and easier access to Arlington House. We have an estimate and it is within budget so this project should begin as soon as possible. Fourth, our pool architect is on target with his work to provide the design for the pool so that the contract can be sent out for bids at the end of this year’s swimming season. Work can be completed in time for next year’s swimming season. Lastly, the architect is working on the design for the golf pro shop/club house and is being pushed hard by the planning committee to get the design to us as soon as possible.

The Board would also like to call your attention to two other concerns. (1). We have opened the swimming pool up to allow more frequent usage by guest, but the limit is 5 times per season for guest. The pool staff is now monitoring this attendance, so please comply with the guest numbers so we do not create embarrassing situations for the pool staff and guest. (2). Arlington’s New Smoking Policy is printed in this newsletter. Upon the advice of counsel, Arlington must comply with the Madison County Smoking Ordinance. This ordinance requires Arlington to “provide a smoke free workplace for all employees’ and implement a no smoking policy.” Therefore, you will now see “No Smoking” signs at Arlington that will prohibit all use of tobacco at all Arlington facilities and within reasonable distance of Arlington facilities. This makes us in compliance with the ordinance.

In closing, I thank all of you for all the suggestions you have given me/us during the past year. We have listened and tried to incorporate those concerns into the decisions we had to make. This Board, by necessity, became the Board of action as we tried to implement the actions of previous Boards. Personally, I am pleased with the actions taken and thank all Board members, Planning Committee members, and Arlington committee members for your input. I especially would like to thank Jim Marsh, who works hard every day for Arlington; James Street, whose technical expertise we cannot do without; and Bob Geiger, Becky Newsom, Cheryl Harris, Joey Fisher, and Jackie Collier for their leadership and ability to keep me on course. I also thank President Glasser for the opportunity she gave me to serve and for her guidance during the year. Thanks to all of you for your support.

Don Calitri, Chair–Arlington Board 2006-2007

It is early June, but it feels like the middle of July. We are running at a deficit on rainfall at this time and the outer roughs are really showing it. In the last two days we have seen some relief via thunderstorms, but still need additional rainfall.

The bunker project is still moving forward. Currently bunkers on holes number 13 and 14 are under construction. We should finish them by the end of the fiscal year, leaving us with one bunker on hole number 3 to finish this project. We have learned a lot during this renovation project. With each bunker renovated, we find newer and better ways to rebuild. As with anything in life, practice makes perfect.

The Zoysia fairways are finally in and near 100%. I know there are some small spots still not covered. These areas are largely due to environmental conditions, (shade, low wet spots, and intense traffic). We will continue to strengthen these areas.

The Audubon areas are starting to show which flowers actually do the best in our climate. We will continue to add the varieties that have done well. You may have noticed the addition of bird boxes to these areas. These are Bluebird boxes. We have already documented nests in each box.

I welcome all members to come out and enjoy the golf course this summer. If you ever have any questions or concerns for me, please don’t hesitate to call or email me.

Yours in Golf,
Jim Cox. CGCS

**Swim and Dive Team News**

The swim and dive team is off to a great start this year with several records being broken by team members. Below is a schedule of upcoming events. We would like to encourage everyone to come out and cheer our team on at the last home meet on Wednesday, July 11.

**From the Pro Shop**

Congratulations to Michael Stotts and Nathan Wyatt for winning the overall in the 2007 Member-Guest. There were 62 participants for the event. Other day winners were:

- **Saturday’s Scramble Format:** Michael Stott – Nathan Wyatt
- **Sunday’s Best Ball Format:** Kelly Wallingford – John Spencer

July and August are typically the busiest months at the golf course. Please give us a call for tee times or check the Arlington Golf Calendar for upcoming events.

The Junior Golf League is under way with 18 young men and young ladies playing. Junior Golf Clinics begin at the end of June and last through July. (Ask for details in golf shop)

The Hanger Cup (formerly the Arlington Men’s Invitational) has been moved to July 21-22. Put this on your calendar. We hope to get a great turnout.

Individual golf lessons are available. Please check with me or a pro shop staff member.

Hope to see you at the golf course!

Head PGA Professional

**Tennis Events and Updates**

- June 8: Parent-Child Event (6 – 9)
- Please sign up by Wednesday, June 6th
- June 14–16: Parent-Child Tournament

**Club Within the Club meetings announced**

Scrapbooking Club will meet the last Friday Night of July (27th) and the last Friday night in August (31st) on the Third floor of the House.

Most people love the final result of having their photos in albums. However, time, creativity and space are some barriers that keep people from preserving their memories in scrapbook photo albums.

Looking for new ideas and techniques?

Our Scrapbooking Club Within the Club is a great way to get inspiration, share ideas, and, of course, complete albums.

Whether a pro or a novice, you’re invited to join Melissa Gossett and Scrapbooking Club. Soft drinks will be provided.
