Help us... We Need a Name

The Arlington Grille and Golf Shop will be open in May 2009! This new facility will give students enrolled in the PGA Professional Golf Management program a state of the art facility in which to train, and the Arlington membership a casual dining alternative and an improved club experience. The new facility will include a fully stocked golf shop, men’s and women’s lockers, and club storage for members. The grille will be a perfect place to rehash a round of golf or set of tennis, or just enjoy a sandwich and beverage with a wonderful view of the course. The Arlington House Committee is accepting suggestions from the Arlington membership on the future name of the Grille and Golf Shop currently under construction. Please send your ideas to carrie.cooper@eku.edu or call her at 859-622-1778.
**Board of Directors’ Update**

For some time, the Arlington Board of Directors has been considering a variety of solutions for solving the financial ills of the Association. After approximately six months of reviewing the current budget (including doing a line item analysis of current and proposed expenditures), discussion with current members, and reducing expenses of the Arlington Association, Inc., the Board has voted to approve an across the board $9.00 monthly dues increase. Additionally, the board approved implementing a $25 monthly food and beverage minimum. The $20.00 monthly food credit has been discontinued. The food and beverage minimum will be billed 3 times per year, and members have the flexibility of avoiding its imposition by spending at least $100 during each four month period. You can spend $25 a month, $100 in any one month, or any other combination that adds up to $100 within the four month period. It is our hope that you will not incur the $25 minimum and choose, instead, to purchase food and beverage at one of the venues provided at Arlington. The food and beverage minimum can be used in the house, the Rathskellar, the golf shop (for snacks), the concession stand, and the grill in the new clubhouse, when completed.

The above action was taken by the Board in order to keep Arlington solvent and while providing the best acceptable service to our members. The new policy will go into effect March 1, 2009.

Mr. Jim Marsh is retiring from his position as General Manager of Arlington. I will keep the membership advised of future plans for the management of Arlington.

Allen Ault, Board Chairman

I hope this letter finds all with heat and electric in their homes. It has been a rough couple of weeks for quite a few people. Here at Arlington, the club was only without power for a few days. While the power is back on, the course has sustained significant damage to our trees. It will take some time for the tree service crews and my crew to clean up the course and make it safe for play. Making the course safe for play is our primary purpose. We will be working on the Front 9 first and then moving on to the Back 9. We hope to do this as quickly as possible, but realize that weather will continue to be a factor in our progress. It’s hard to say just how much this ice storm has affected our course, but rest assured, it has changed the landscape. I ask for your patience during this time. Please allow myself and my crew to make Arlington a safe place for you, your guests and friends to enjoy.

**Arlington’s Golf Pro**

The 2009 golf season is quickly approaching. Everyone should have received their 2009 Arlington Golf Calendar. There are many exciting new tournaments for everyone to participate in. You will notice the date of the Member-Guest has been moved to better accommodate everyone’s schedule. You will also see the Friday Night Mixed Couples Scramble is returning. We will have them every other Friday throughout the golf season. Please note that as you see the events on the calendar, that unless they say “Men’s” or “Women’s” in the title, they are open to ALL golfers and will have men’s, women’s, and senior divisions. If you have any questions regarding an event on the calendar, please give me a call at 622-2207.

You will also notice that we will be having a women’s clinic as well as two junior clinics throughout the year. I will also be available to give lessons for everyone who is looking to improve their game and knock off the “winter rust.”

As we get ready for the upcoming golf season, construction on the new golf shop and grille is moving quickly. Currently, the HVAC system is almost installed, the plumbing and electric have been installed, the brick is about halfway completed and the drywall will be installed in the coming weeks. It is really beginning to take shape and is going to be an incredible facility.

Everyone that is on my e-mail list should have received pictures of the building a few weeks ago. I am planning on taking more pictures soon and will be e-mailing them to everyone. If you would like to see the progress of the building, please send an e-mail to patrick.williams@eku.edu and I will add you to my list.

I have will have new merchandise arriving throughout the months of March and April. I will have demo golf clubs to try, shirts from vendors such as Monterey Club, Nike and Adidas, as well as new items such as Tervis Tumblers. Please stop by the golf shop and check out all of the latest merchandise.

I look forward to seeing everyone throughout the upcoming golf season.
