A great event to kickoff the Holiday Season!
Board of Directors’ Update

Progress has been slow, but deliberate and on track and within the amount of funds allotted for the Arlington Renovations/Deferred Maintenance Projects that the Board of Directors has approved. Beginning my second year as Board Chair, I continue to provide you, the membership, with the most updated information available.

First, if you have been at Arlington House you will note that much progress is being made on the roof. The repairs may cause minor inconveniences, but it will be great to have a roof that is not leaking. Our contractor, Casey Creek Construction, Inc., is doing an excellent job and they are great people to work with. As soon as they complete the roof, we have accepted their bid to complete other Arlington House repairs, to include, front porch, columns, and exterior wood replacement. Once this is completed we can begin to complete the project with exterior and interior painting. You should also note trees being removed on the tennis court side of Arlington House. This is to make room for the new 52-car parking lot that will provide a more direct entrance to Arlington House for our many guests who now will have easier access to the facility. This project should be completed before winter arrives in Richmond.

Secondly, the Pool Renovation Project has received a responsive bid from the DW Wilburn Company. Our problem is that the bid was $365,000 over estimate. I am pleased to inform you our architect, Terry B. Simmons Architects, Inc., and James Street are in discussions with the DW Wilburn Company to get the project within budget. I am confident that all of those involved, working together, will be able to present a project that can be completed within budget. We should have an agreement prior to our October Board Meeting so we can begin the project immediately. We want this project to be completed in the time frame that has been designated, so we can have the pool available with all the improvements prior to the opening date in 2008.

Lastly, we now have an excellent group of architects who are working to complete the plans to the Arlington Club House Project. 52/53 Design Group from Louisville, Ky. has presented us a plan that we can be proud of. We are in the process of sharing this plan with the golf committee for their input. The Design Group will be at our October 16th Board Meeting to present the entire plan to our board as well as any members who would like to attend. They will be first on the agenda at 6 p.m. We also have not forgotten the tennis courts because they are scheduled for improvements prior to usage in 2008.

It is the Board and Planning Group’s goal to have ALL of these projects completed before their terms of office end in July 2008. We want to leave the new Board with an excellent facility that can be enjoyed by all for many years to come. As always, I thank the Planning Group for their hard work as we meet each Friday morning, the Board for their continued questioning and support, and of course, complete albums. Whether a pro or a novice, please join Melissa Gossett and the Scrapbooking Club. Soft drinks will be provided.

From The House

Thus far, we have had a positive response to creating a membership e-mail list to be used to inform members of upcoming events. We soon hope to have this new form of communication up and running.

If you haven’t signed up to be on the e-mail list, and would like to do so, you can either sign one of the lists at the house, or call 622-2200 to be included. Thank you for your participation.

We have a convenient mail drop for members at the side entrance of the House.

We will close after the Thanksgiving Day Buffet. We will not be open for dinner that evening, and will reopen Friday, November 23 at 5:30 for dinner.

We will close at 9 p.m. on Friday, December 21, for the Holidays, and will reopen on Wednesday, January 2, 2008.

The “Evening Dining Credit” is back by popular demand for the month of November, but we will not offer this during the month of December due to a high volume of Holiday Parties.

Be sure to check the Arlington website for minutes from the last board meeting. www.arlington.eku.edu.

Club Within the Club to meet

Scrapbooking Club will meet the last Friday night of November on the Third floor of the House.

Most people love the final result of having their photos in albums. However, time, creativity and space are some barriers that keep people from preserving their memories in scrapbook photo albums. Looking for new ideas and techniques? Our Scrapbooking Club Within the Club is a great way to get inspiration, share ideas, and, of course, complete albums. Whether a pro or a novice, please join Melissa Gossett and the Scrapbooking Club. Soft drinks will be provided.

Tradition continues

Don’t forget Arlington’s new tradition “Family Night.” One Saturday each month we will host “Family Night.” Children 12 and under will eat free from our “Kid Friendly” buffet, which will include a trip to our “create-your-own sundae bar”.

Adults and guests 13 and over will select from our regular menu, with the opportunity to “create their own sundae” for $2.95 each.

So come out and become a part of our “ARLINGTON FAMILY” on November 17. We will not have Family Night” in December due to the holidays. Call 622-2200 for reservations.

Welcome New Members

Sherrie, Tim, Katie, Jared and Travis Grant
Jonathan Martin
Doug and Joanne Whitlock
Linda S. and Donnie Strong
Masanori and Setsuyo Kato

Sunday Brunch Buffet

Bring your family and join us on Sunday for the Sunday Brunch Buffet. The buffet features an omelet station, salad bar, prime rib, Belgium waffles, seasonal fruit, cheese display, dessert bar and a variety of breakfast and lunch selections. For reservations, call 622-2200. Reservations are preferred.

Vineyard Club

Just a reminder about a wonderful amenity for our Arlington members. A vineyard club member can purchase wine at cost plus a 20% handling fee with a $125.00 annual fee. We store the wine and have it ready at your table when you come in to dine.

Call Jim Marsh for more details: 622-2200

Don’t forget to use your Dining Credit at dinner during November!

Come out for dinner and spend over $20, and we will give you a $20 credit on your monthly statement. The Dining Credit will not be offered during the month of December due to the high volume of Holiday Parties.

Condolences

It is with sadness that we have lost a wonderful employee, outstanding member, a friend, and a true gentleman in Carter Brandenburg. Carter and his family have been members at Arlington since it opened in 1969. Carter was a pleasure to have in the golf shop. Carter worked at Arlington soon after he retired from IBM in Lexington. Our condolence goes out to Pat, Hogie, Steve, Mike and Susan. Carter will be deeply missed.
Hopefully, we will be able to finish in a relatively short time period. This will conclude our bunker project.

The Tates Creek Road project seems to be moving along. For those of us who transverse the road every day, I am happy it is happening. The weather is out of our control. Let’s only hope the drought doesn’t affect our business to never complain about the weather, because when you do something else can happen. The weather is out of our control. Let’s only hope the drought doesn’t affect our business never to complain about the weather, because when you do something else can happen. The weather is out of our control.

It is late September and it seems like summer just doesn’t want to let go. Lexington set a record high two days ago at 93 degrees. Normally this time of year we are starting to see normal temperatures and little rain has put a strain on area golf courses. I must say that Arlington Golf Course has held its own this summer during these tough conditions. The maintenance crew continues to perform at the highest level, giving our members a quality golf course day in and day out. Great job guys!

September and October had a lot of play on the golf course. Arlington played host to the ALL-‘A’ High School Boy’s State Golf Championship on September 15th. Sixteen teams from across the state played at Arlington.

The EKU Men’s Golf Team once again came out victorious at the 2007 Colonel Classic held at Arlington on September 21-22. Records were set, 42 under par for the 54 hole team score and Phil Hendrickson, Sr. from Danville, KY., set the 54 hole individual record of 199 (17 under par). The EKU Men’s Golf Team has had a fabulous fall season. Three wins, one second, and a fifth in five tournaments. The EKU Colonel Golf Team is currently ranked 38th in the country by GOLFWEEK’s poll and 35th in the country by the GOLFSAT poll. There are great things expected by this team in the spring. Keep an eye on us!! This is the best team that EKU has had in a very long time.

The EKU Lady Colonel Golf Team has just come off an impressive 2nd place finish at Arkansas State. The Lady Colonels play through the month of October. This is a fine team that will vie for the OVC Championship this spring.

CONGRATULATIONS go out to the following golfing members who by the KGA Handicap GHIN System are the 2007 Most Improved Players at Arlington. Pat Stephens, PGA Professional

Conrad Minge, Hagerty

CONGRATULATIONS go out to several high school players that are members of our local high school golf teams. These young people recently competed in the KHSAA State Golf Championship at Bowling Green Country Club. Megan Laird, Model HS., Stuart Witt, Madison Central, Brandon Sanslow, Madison Central, Kyle Congleton, Madison Central. The Madison Central Boy’s team finished the tournament in 10th place.

HOLES IN ONE: It seems that names might have been left out the last newsletter. These members accomplished something that many golfers don’t achieve in an entire lifetime playing golf: an ACE!

Kevin Crosby #7, and #16 (Kevin has made holes in one on every Par 3 but #14) the most by any club member.

Lucie Nelson #16

Tony Tucker #14

Up Coming Events for November-December:

- Member-Member
  - 11/18 holes
- Turkey Shoot Scramble
  - 11/24 9 a.m. * 18 holes
- Member-Member
  - 12/1 9 a.m. * 18 holes
  - *weather permitting

Don’t put your clubs away just yet. Come out to visit us and get a couple more rounds in before the weather doesn’t allow it. Or just come out and have a cup of coffee with Brad.

From the Pro Shop

It is late September and it seems like summer just doesn’t want to let go. Above normal temperatures and little rain has put a strain on area golf courses. I must say that Arlington Golf Course has held its own this summer during these tough conditions. The maintenance crew continues to perform at the highest level, giving our members a quality golf course day in and day out. Great job guys!

It will get colder and frost is around the corner. The golf shop will change opening hours to 9 a.m. the first Sunday of November. Opening on Mondays will be at 12 noon instead of 1 p.m. Members who are still making tee times on the weekends may have some delays due to frost. The entire golf course will be closed during a frost delay (including the putting green and driving range). As soon as the golf course will allow play we will get members and guests out. Patience is the key word! Be kind to the golf shop staff, they are protecting your investment, the golf course.

It sure doesn’t seem like FALL or WINTER wants to get here anytime soon. Above normal temperatures and little rain has put a strain on area golf courses. I must say that Arlington Golf Course has held its own this summer during these tough conditions. The maintenance crew continues to perform at the highest level, giving our members a quality golf course day in and day out. Great job guys!

Saturday, Dec. 15

From the Superintendent’s Desk
