Listed below are the results from the Central Kentucky Conference Championships. We would like to recognize all team members individually who competed in the Conference Meet. The top 16 scored points for the team. However, I thought our team did extremely well and so I listed everyone and their results.

To appreciate the magnitude of these accomplishments I have listed, at the top of each age group, the number of contestants in entered in each event. Example 9-10 Girls (97) Free. This means that there were 97 contestants in Free alone. I have listed the swimmers seed going into the race and then the place that they finished. The results are exciting to see. I wanted to show everyone's results. You can see that many performances were exceptional by the amount of improvement in their placings. Example: 25/20-- the first number is the seed entering the meet and the second number is the actual finish in the event. You can then see the Arlington swimmers and how they finished in the event. Over 1,400 contestants took part in this year's meet, with as many as 106 in some of the events. I hope you can see and appreciate and be proud of the accomplishments of these young athletes.

I would like to congratulate everyone for the super efforts which they gave for the team and themselves. Many, many of our team members had outstanding swims. Their improvement is the future of the Arlington team. Many of this year's qualifiers were non-qualifiers in years past who have improved from determination and a desire to better themselves, thus making a greater contribution to our team's total performance.

I would like to thank all parents, assistant coaches, guards and friends for making this year a success. I especially would like to thank Lisa Meeker and Samantha Burford and the many parent volunteers that assisted them along with the webmaster, the Clerk of Course Parents, Age Group Parents, Tent Parents, Parents that handled our team tent, team shirts and team caps. Thanks also to who gave out Ribbons, Meet Announcers, Conference Workers, Starters, Officials, Timers, Recorders, Scorekeepers, Pickers, Timing Consol Operators, Diving Scorekeepers, Big Swimming Brothers and Big Swimming Sisters, conference tent set up and take down parents, volunteers for the 6 & unders and the Arlington administrative staff, Director, Jim Marsh and Food and Beverage coordinator, Diane Welker and Marilyn Ballinger, office manager as well as Don Calitri, Arlington Board President, Margaret Baxter and Donya Smith Arlington Swimming Pool Co-Chair's, and Rich Middleton, ECU Physical Plant Director and the ECU Physical Plant staff that worked to get the pool ready. The list seems endless but the impact on our team will be lasting far beyond our Arlington years for our team members.

Finally, I would like to thank the assistant swim coaches, Kyle Knezevich, Sarah Williams and Alexandra Carter as well as diving coaches Spencer Waterbury and Eric Ruppel for their patience, persistence, desire, dedication and determination which they have given daily to our swimmers and divers. They are excellent role models for our young people. The influence of their efforts, guidance, leadership and teaching will be a part of the future successes of the children they touched.

Coach Tim Cahill
